#### Installation Instructions:

---

---

---

**Customer will be responsible for NIC (network interface card) and HUB if needed.** CMTEL will supply high speed Internet to customer's protector. Customer will supply and pay for all hardware from protector to customer owned equipment. As the financially responsible individual or authorized representative of the business or home location, my signature binds the responsible party to pay all charges according to the terms and conditions of Citizens Mutual Telephone's normal standard conditions of payment.

\* **SecureIT Plus Agreement:** To install security coverage service on your computer you'll use the Internet link supplied to you via email to the above email address. This email will contain your license key. For **professional installation**, please contact **SecureIT Plus Customer Support toll free at 877-373-3320**. By signing below I agree to purchase the SecureIT service and understand that this agreement is for a period of twelve (12) months. After that I may continue the service on a monthly basis. I have received, reviewed, understand and agree to the Terms and Conditions contained in my License Agreement, SEE REVERSE SIDE.
